Celonis Process Mining Certificate

We hereby confirm that

Divyansh Jaiswal

has successfully completed the

Fundamentals for Students Training

Recipients of this Certification have been acknowledged by Celonis to be proficient in the following:

- Understand Process Mining fundamentals from a theoretical and applied standpoint

- Understand and apply analyst skills in Celonis

- Import data and use Celonis Academic to analyze process data and identify friction points

- Transfer analytical insights into business value. Know a variety of process mining application fields

Date of Completion: 2021-09-29
